

Premiering at the
CHINATOWN INTERNATIONAL DISTRICT
SUMMER FESTIVAL July 10-11, 2004

Under whispering banyan trees
2,000 years ago, an Imperial
Chinese chef first crafted
candies from ten thousand
crystalline threads of malt
sugar. The emperor, fascinated
by this culinary masterpiece,
bestowed it with the noble title
"Dragon Beard Candy."

Now, Bamboo Garden recreates
this delicacy so that you can enjoy
the exquisite texture and subtle
balance of flavors of this ephemeral sweet
in an elegant gift package. Still handmade
in the traditional way, Bamboo Garden's candy
has a delicate crispness, then melts on your tongue.
